AMENDMENT UNDER 37 C.F.R. § 1.111

Commissioner for Patents
Washington, D.C. 20231

Sir:

In response to the Office Action dated December 19, 2000, please amend the above-identified application as follows:

IN THE CLAIMS:

Please enter the following amended claims:

Sub
B1
a1

1. (Amended) An aqueous pharmaceutical composition for application to the mucosa, comprising one or more water-insoluble and/or low water soluble substance, and one or more medicament, and having an osmotic pressure of less than 290 mOsm.

Sub
B2
a2

3. (Amended) An aqueous pharmaceutical composition for application to the mucosa, comprising one or more hemostatic agent, one or more water-insoluble and/or low water soluble substance, and one or more medicament, and having an osmotic pressure of less than 290 mOsm.
